# Condition Case Details

This report provides details for all open and closed Condition Entries on an asset component, including access to Linked Documents, and Lifespan Charts.
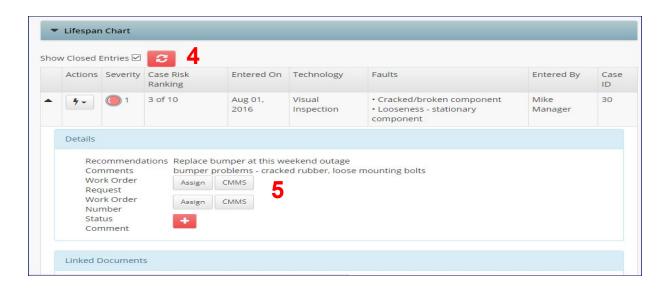

1. Component details

2. Asset Component linked documents

3. Click [⚡▾] for photo viewing options

Lifespan Chart

4. This section shows case Severity, Risk Ranking, and entry details

5. In addition to Recommendations and Comments, this section allows you to automatically submit condition entry data to your CMMS, or manually assign a Work Order Request or Work Order Code for the Condition Entry

Condition Entry Linked Documents

6. Linked Documents related to Condition Entry are found here. Again, you may click [⚡▾] photo viewing options

7. Lastly, you may check off the Condition Entry (or see details if it has already been checked off)
