Condition Review Report

This report returns condition entry and comment details for a Unit, Function, or Asset location, filtered by criteria such as data range, checkoff/closure status, monitoring technology, and severity.

You may choose as many filters as needed. Each category has a set of subcategories that may be used as well.

After choosing filters, you may either choose to view the report or export it to PDF. (The PDF may be viewed in your browser or downloaded)

Filter Options - Condition Entry Options

You may choose a date range for Start Date, Check Off Date, or Close Date

From 0 to 5 additional filters may be added. <u>Severity</u> has been selected in this example. Each option indicates the number of entries matching that option.

Filter Options - Users and Aliases

In the same manner, filters can also be applied to Condition Comments (below), Users (top right), and Aliases (lower right).

Condition Comment Options

Date Ranges

	From	To
Start Date	Dec 07, 2012	Jan 17, 2019
